Students will be progressively assessed as 'competent' or 'not yet competent' in individual units of competency.

**N Determinations**

Where a student has not met Board of Studies course completion criteria, they will receive an ‘N’ determination (course not satisfactorily completed). The course will then not count towards the HSC although units of competency achieved will still count towards AQF VET qualification.

**Appeals**

Students may lodge appeals against assessment decisions or 'N' determinations through their school or college.
