The Creative Arts Faculty have a dedicated team of teachers who have been enthusiastically working to develop a supportive educational environment with up to date resources and the latest technology. We are continually developing to meet the educational needs of your students and want them to get the very best from the learning experience.

If there is any further information needed about these courses or the facilities that we offer you students please contact us at The Entrance Campus during College hours on 43322944.

**VISUAL ARTS**

This course is weighted 50% practical and 50% theory and is designed for those self motivated students who want to gain a ATAR and go on to tertiary level education.

Many art techniques are researched and explored in the Preliminary year so that students are able to produce a body of work in any expressive form in the HSC year.

The cost of this course is $50 per year plus excursion costs.

**DRAMA**

This course is weighted 60% practical and 40% theory and is designed for those self motivated students who want to gain a ATAR and go on to tertiary level education in drama or theatre.

Performance skills, theatrical skills and elements of production are explored in the Preliminary year so that students are able to use their knowledge gained to examine plays, develop group performances and individual projects.

The cost of this course is $30 per year plus excursion costs.

**MUSIC**

Music I is a musical interest/awareness course designed to cater for a student who has a genuine interest in music, but also provides opportunities for the more experienced musician. The HSC can be designed to suit the individual abilities of each student. Music II and the extension course are designed for the classically trained musician.

The cost of this course is $30 per year plus excursion costs.

**DANCE**

The Dance course is designed for students with dance experience and/or self motivated students with a keen interest in dance.

This course is based on three components: performance, Composition and Appreciation. Through the study of dance as an artform, students learn the skills of dance, to perform and create dances and to critically analyse, enjoy and make discerning judgements about dance.

The cost of this course is $25 per year plus excursion costs.
