The Creative Arts Faculty have a dedicated team of teachers who have been enthusiastically working to develop a supportive educational environment with up to date resources and the latest technology. We are continually developing to meet the educational needs of your students and want them to get the very best from their learning experience.

If there is any further information needed about these courses or the facilities that we offer your students please contact us at The Entrance Campus during College hours on 4332 2944.

Regards,
P. Crousen

SENIOR COURSES 2012

CATEGORY B SUBJECTS

THESE DO NOT CONTRIBUTE TO AN ATAR

VET COURSES

ENTERTAINMENT INDUSTRY

The course includes competencies for a wide range of entertainment occupations, allowing students to explore possible career interests and pathways. Areas of study include “front of house” sets and props manufacture, lighting and sound operations, audiovisual, costume, make-up, scenic art, staging and stage management.

Work Placement is compulsory in both Year 11 and Year 12 (minimum 70 hours total). Completion of an OH&S and a Senior First Aid certificate is also a mandatory requirement of this subject. These courses can be organised by the school.

The cost for this course is $50.00 per year.

MUSIC

MUSIC INDUSTRY INTRODUCTION

This course is based on the competencies, skills and knowledge required by workers in the industry. Students will acquire a broad understanding of the music industry with knowledge and skills suitable for entry-level employment and will:

- Develop music and listening skills in a range of musical styles
- Become familiar with music industry products and organisations
- Develop basic technical skills in areas of performance and/or sound productions

The cost for this course is $20 per year.

VISUAL ARTS AND CONTEMPORARY CRAFT

This competency based course is a practical introduction for those students interested in developing skills in visual or fine arts. The options offered encompass a range of fine arts and visual arts including drawing, painting, 3-D forms, and digital photography as well as key supporting areas of drawing, basic professional art practices and computing skills.

The cost of this course is $50 per year plus excursion costs.

OTHER CATEGORY B SUBJECTS

PHOTOGRAPHY

This is a course designed for creative students who have an interest in all areas of photography. It is a non ATAR and has an emphasis on the practice of photography.

The areas of digital, wet and video or film making are researched and students are taught skills in each. Students are able to develop their own bodies of work in some photographic aspect.

The cost for this course is $25 per term per year plus excursions costs.

VISUAL DESIGN

This is a course designed for creative students who wish to explore any design area. It is a non ATAR course with an emphasis on the practical skills with some theory involved.

Many areas of fashion, stage and furniture design will be covered in the course with students developing their own ideas in each.

The cost of this course is $50 per year plus excursion costs.
